I'm not sure everyone wanted to go back 5 days a week, but it is a nice thought.

Sony I missed your call.

I just spoke to him. His perspective was more from a parent perspective who wants his children in school 5 days a week...as we all do.

Good evening,

Would one of the board members please call me (cell [REDACTED])? I'd like to understand what part of the revised recommendations and procedures that were released from the governor and the PDE that stopped the offering of a full 5-day option.

Nowhere does ANY guideline - State, CDC, or otherwise - require 6 feet between students in a classroom without an "as much as feasible" qualifier.

Thank you,
David
