Agreed – Terrific showcase of the power of our IUs to collaborate in support of our districts! High fives all around!

I'm also out of the office next week – OCNJ – I can make first thing tomorrow morning work for a quick call. Also happy to chat the week of July 6th.

Thanks Brad. Our breakout notes are in the folder set up by George. I think we should get everyone to add their notes. I suggest we get together next week to debrief and decide how to organize notes (if we want) or how we might want to communicate out.

Brad-

Attached are the notes from our breakout room.

I got a call from Jeff Sultanik- he said he just finished a presentation for PASPA and most across the state did not like the Bucks guidelines. I told him our superintendents were sold on Dr. Damsker!
