I may be late to cabinet tomorrow morning. I have a 9:30 a.m. call with Jeff Sultanik, Attorney at Fox Rothschild, to discuss some concerns he raised with some of our Superintendents about the Damsker guidance. Mark asked me to navigate this prior to the Super call tomorrow afternoon, because I believe that Dr. Harner reached out to Mark after he had a conversation with Jeff. Unfortunately, 9:30 a.m. was the only time on Monday that Jeff was available for a discussion. I will try my best to wrap up by 10:00 a.m., but if I don't, can you start the meeting? JoAnn is going to discuss the Health and Safety Plan so you can turn over to her, and just follow the agenda.

Thank you and I will be on just as soon as I can!

Rebecca
